

Missions to Mexico

Community Outreaches Prep

Two nights during the week (Sunday & Wednesday) you will do Community Outreaches at the specially chosen church you'll be serving at for the week while in Mexico. There will be two church ministry outreaches during the week (Sunday & Wednesday).

The first night (Sunday) you will take the children out for their first V.B.S. after your participation in front of the church. The other outreach night, which will be on Wednesday, the children will be taken out and given a shortened version of VBS (less crafts and snacks).

Generally, the Community Outreaches begin with songs (done by the church). After the song time your group will be introduced. Your group will come to the front of the church and sing a couple songs, do a puppet show, and share a couple testimonies. Following, an evangelistic film will be shown via a video projector & big screen (we provide all this and the movie). After the film, or message, the pastor will wrap up the Outreach.

You'll need to be prepared to participate in the Community Outreaches with the following:

1. Singing a couple Spanish songs

This will be for the church you'll be serving at for the week. It works out good to have someone who knows the songs well to sing into the microphone and have the rest of the group sing along. If singing a few songs is a problem for your group, don't worry, we can help out or this can be omitted or changed for a drama.

2. Puppet show

The adults love the puppet shows too. We have all the puppets, puppet stage, and scripts for this on cd. All you'll need to do is have some ready volunteers for a little practice after arriving here in Mexico.

3. Testimonies

At least two volunteers per Community Outreach to share a brief testimony of how they came to Christ (total of 4 testimonies needed), or what He is doing in their lives. For more on what these testimonies should contain and how they need to be shared go to: [Giving Your Testimony on our website](#)

Other activities

If your group would like they can do dramas or whatever for the Community Outreach. Just let us know of your plans and we'll work them in.

The church you'll be serving at will welcome you with wide open arms and trust you beyond belief. This is due in part to their trust in us as missionaries. Because we have been working in the area for about 17years, we have developed many deep relationships with them.

If you have any questions regarding your outreach times please feel free to talk with us.
