

Missions to Mexico

Evangelism & Visitation Outreaches

You'll kick off your week of ministry on Sunday afternoon with an Evangelism and Invitation time in the community in which the church you'll be serving at is located. Your Mexican brothers and sisters in Christ (from the church you'll be serving at) will go with you to share in this time. You'll hand out tracts, share the gospel, and invite the community to the activities you'll be doing during the week. Everyone from your group is invited to participate in this rich time.

Also, during the week in the mornings, from 9:00-12:00am, a couple groups (if your group is larger several groups) of about four or five will go with one or two of the members of the church you'll be serving with, to visit homes to pray for people, get to know them, see how they live, encourage them, and share Christ with them if they don't know the Lord. Much of your prayers will involve praying for sicknesses as medical treatment is expensive and God is often their only hope. During the week everyone should get the opportunity to participate in this special time.

During your visit in the home, you will want to pray for them and their home. It is customary to place your hands upon them while praying for them.

The schedule for the evangelism and visitation time should look like the following:

Sunday - Evangelism Outreach (Everyone)

2:00 - 2:30pm Getting acquainted with your specially chosen church

2:30 - 4:00pm Evangelism/invitation time. You will be accompanied by members of the church where you'll be serving.

Monday - Visitation & Evangelism Outreach (Groups of 4 to 5)

9:00am - 12:00am Visitation and Evangelism Outreach (The rest of the group will be involved in the work projects at this time. You can rotate the group who will be going out each morning during the work time to visit if you'd like).
